MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Michael O'Neil, Chief Counsel,  
House Permanent Select Committee on Intelligence

25X1 1. On Thursday, 24 January 1985 at the direction of Chuck Briggs, I called Mike O'Neil and told him the Agency was prepared to clear him and Associate Counsel Steve Berry for a [redacted] project relating to computer fraud legislation. I told Mike we were not prepared to clear two additional HPSCI staffers.

25X1 2. Mike said he was not sure that he and Steve would be competent to master all of the intricacies and complexities of a high technology project, but he would accept our position reserving the right to ask for additional clearances if they were deemed necessary to complete the Committee's work. I told Mike we would accept his reservation.
